FIT CATEGORIES

CLASSIC FIT: Classic fit is our most traditional fit. These styles have enough room to layer over other apparel items without looking oversized. They're comfortable and timeless.

UNISEX FIT: Our Unisex fit is made to be worn by anyone. The style and feel of the garments are based on men's sizing; it is oversized, wide through the body, and typically has a drop shoulder. Women would need to size down 1 to 2 sizes in order to get a garment that is more true-to-size.

FITTED: Our Fitted styles contour to the body's natural shape, offering a sleek, tailored look. Designed for a modern, streamlined fit, they flatter your figure and suit both professional and casual settings.

OVERSIZED: Our oversized styles are designed with a relaxed, loose fit that is intentionally larger than standard sizing. This style offers extra comfort and a casual, trendy look, often characterized by extended sleeves, wider cuts, and longer lengths.
