## COLOR SWATCHES

We retain certain manufacturing rights that include, but are not limited to: fabric, size, color and sewing variances.

## MADE FOR YOU

---

We are happy to create custom aprons, cobblers, vests, or chef coats per your specifications in the same top quality you expect from DayStar.

We manufacture custom garments in multiples of 40 pieces per style, color, and size. Custom orders take about seven to ten business days to produce and are non-refundable. They may incur a 10% overage or shortage. With larger orders, custom colors may be available. Due to our commitment to quality, we can only take on a finite amount of custom work.

## EMBROIDERED IN-HOUSE

---

We can embroider any garment upon your request with a company name or logo. Our embroidery service requires a 36-piece minimum per color, per style.

We recommend original artwork for a clean, crisp and professional look. Once you provide your artwork, we will digitize the file and present you with a sample item to approve before we complete your order.
